Dear Edmond:

Hoping that you remember me when I was working for Councilmember LaBonge. I know it was not that long ago however I have recently taken a position as the Executive Director for the Hollywood Media District BID. A developer reached out to me (Tiger West Capital, LLC) regarding their proposed development located at 700 N. Highland Avenue, Hollywood, CA 90038 - asking me to have the BID's gateway sign removed and relocated. I believe that the signage is located in the public right of way. Here is a link to the sign for a visual: [HMD Gateway Signage NW Corner 700 N. Highland](#)

Can you please tell me if there was a permit pulled for this gateway sign? This was most likely done early 2000. This Developer wants to have the BID relocate the sign. He is currently in the process of pulling his permit with the City for a =3 story mixed use building with 19 apartments, retail and basement parking.

Let me know at your convenience.

Thank you
